## Inspector Observations:

This on-site investigation was conducted as a result of complaint that was received regarding rodent activity inside of facility. Rodent activity verified. Rodent droppings and gnawing marks observed behind and under seating booths in customer dining area. Facility is hereby closed until rodent activity is eliminated and droppings are safely removed. Commercial pest control is to immediately implement comprehensive elimination protocol which includes an exclusion survey and baiting. Provide written receipt for pest control service with target pest(rodents) and methods used. Remove rodent droppings in safe manner. Contact Jason E. Roy at 951-897-1693 if questions arise. Re-inspection of facility on 11-16-18.
